

CAIRS/AIRS MEMBERSHIP BENEFITS

Advocacy....Networking....Training....Service Delivery....Communication....Collaboration

California Alliance of Information and Referral Services (CAIRS) & the Alliance of Information and Referral Systems (AIRS) have joined efforts and have changed the membership dues structure for 2006 to strengthen the membership on a state and national level, improve communication and advocacy, streamline processes and deliver key services, increase revenue, and advance the capacity of information and referral providers to better serve their communities.
